

Statement on RoHS Compliance

S-P International is aware of RoHS compliance in accordance with RoHS directive 2011/65/EU of the European Parliament and of the council of June 8, 2011 on the Restriction of the Use of Certain Hazardous Substances which is designed to limit the usage of six substances in electrical and electronic equipment. The six restricted substances and limits are as listed below:

RoHS Restricted Materials	Maximum Concentration
Lead (Pb)	<1,000 ppm
Mercury (Hg)	<1,000 ppm
Cadmium (Cd)	<100 ppm
Hexavalent Chromium (Cr6+)	<1,000 ppm
Polybrominated Biphenyls (PBBs)	<1,000 ppm
Polybrominated Diphenyl Ethers (PBDEs)	<1,000 ppm

All products supplied by **S-P International** are RoHS Compliant. **S-P International** shall continue to ensure that all products meet the RoHS requirements.

S-P International understands the environmental risks associated with the substances covered by the RoHS directive. **S-P International** is committed to reducing the use of RoHS Restricted Materials and providing our customers with compliance information in our components and products according to current and future RoHS requirements. For compliance documents for our components and products, please email the request to: info@s-pintl.com
