Certificate of Compliance – Conflict Minerals Policy Statement

S-P International's Sannohm and Sanyo-OHM resistor lines as well as its Sanyo-CAP ceramic capacitor line are fully compliant with Section 1502 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (The "Conflict Minerals Rule"). In addition, S-P International requires all of the product lines which it represents and supplies to be fully compliant as well.

S-P International fully supports the goals of ending violence, human rights violations and environmental damage in the countries covered by the act, and we are committed to only supplying our customers with products which meet the Conflict Minerals Rule.

If you require specific conflict minerals sourcing information for Sannohm, Sanyo-OHM or Sanyo-CAP products, or for any of the other product lines which S-P International represents and supplies, please contact your nearest S-P International office or email info@s-pintl.com.
