## The Uyghur Forced Labor Prevention Act

S-P International certifies that in regards to it's Sannohm, Sanyo-OHM and Sanyo-CAP product lines, none of the raw material used to manufacture these products, nor the finished products themselves, come from, or have, any connection with, the Xinjiang Uyghur Autonomous Region of China. All S-P International products are therefore in full compliance with the United States "Uyghur Forced Labor Prevention Act."
